#### FOOTNOTES:

1. The **Listed Price** for any specific apartment reflects the seller's opinion of value and is **subject to change without notice**.
2. **Maintenance Fee** is from the current Condominium Association Budget (May 1, 2024-April 30, 2025) which includes payment for: common area insurance, common area flood insurance (for 2 buildings in "A" flood zones\* however: Owner is advised to purchase Flood Insurance for personal property which is not covered by Association's Flood Coverage), common area electric, basic Cable/Wi-Fi, water, sewer, trash removal, coin free laundry facilities, mailroom, pest control and security guards; plus maintenance of building exteriors, roofs, hallways, parking areas, and landscaping adjacent to condominium lodges. (The Association's insurance does not provide coverage for the individual units. It is strongly recommended for the condominium owner to purchase BPP (Business Personal Property) insurance for personal property and liability or self-insure-estimates provided by Whitco Insurance-Estimates shown do not include Flood Insurance.) This footnote is summary in nature; see Innisbrook Condominium Association documents for further details. These fees are subject to change on an annual basis.
3. **Property Tax Disclosure:** For illustration purposes, average real estate taxes for comparable type Rental Pool apartments for the year ending 2023 were used. *Purchaser should not rely on the Seller's current property taxes as the amount of property taxes that the Purchaser may be obligated to pay in the year subsequent to purchase. **A change of ownership or property improvements triggers reassessments of the property that could result in higher property taxes.*** If you have any questions concerning valuation, contact the Pinellas County Property Appraiser's Office for information. The following items will be made current (if applicable) and prorated as of the day before Closing Date: real estate taxes, interest, bonds, assessments, association fees, insurance, rents and other current expenses and revenues of the Property. If taxes and assessments for the current year cannot be determined, the previous year's rates will be used with adjustment for exemptions and improvements. Purchaser is responsible for property tax increases due to change in ownership
4. **Memberships:** The ownership of an Innisbrook condominium does not provide for access to the Resort facilities. Access to golf courses, tennis courts, pools, and other resort facilities requires some level of (non-equity) membership to the Innisbrook Resort and Golf Club. Rental Pool participation requires payment of an initiation fee for a Rental Pool-Full Golf Membership, currently priced in 2024 at \$17,500+ tax and dues, currently \$343+tax per month. Special interest-free payment plan for Golf Membership Initiation fee is available from GHS for Rental Pool Participants. Membership includes spouse and children under the age of twenty-five living at home. Full Golf Membership Initiation Fee and Dues are from the current Code of Regulations. Note: A payment of an initiation fee to change to a higher classification will be required if the currently existing level of initiation fee for the new classification is greater than the amount actually paid for the initiation fee for the member's existing membership – see Code of Regulations for further details. Initiation fees and dues are subject to change.

This Guideline and Footnotes are summary in nature; see the Innisbrook Master Lease Agreement, Code of Regulations, and other documentation for other important details.
