Discover Our Local Area

A TREASURE TROVE OF ACTIVITIES.

Located along Florida's breathtaking Gulf Coast, Tampa offers a wealth of unique attractions and year-round events, thanks to the city's diverse culture, idyllic weather and welcoming, friendly locals.

Just a few miles from Innisbrook is the riverfront Greek fishing village of Tarpon Springs. Known as the "Sponge Capital of the World," this popular tourist destination is a must see, with historic buildings, Greek food and culture, art galleries and the waterfront sponge docks where you'll find boats offering fishing excursions, sponge diving expeditions and eco-tours.

Supremely situated on the beautiful shores of St. Joseph Sound, the nearby city of Dunedin is a quaint but lively city with a hometown feel. Here you'll discover unique shops, a vibrant art scene, award-winning restaurants, several taverns and just the right amount of nightlife.

At the end of Dunedin is the spectacular Honeymoon Island Beach, highlighted by five miles of breathtaking powder white beaches and emerald-green waters. Rated "America's Best" by Dr. Beach, Innisbrook offers a complimentary beach shuttle service to and from this stellar destination.

Another beach lover's paradise, Clearwater Beach's pristine, shallow waters and white sand beaches are an inviting setting for families and couples alike. Take a stroll down the palm tree-lined Beach Walk Promenade towards peaceful Sand Key Park, rent a cabana and enjoy a day splashing and soaking up the rays. There's also a host of things to see and do in town as well, from shopping and great restaurants to live entertainment.

While Tampa is just a short drive from a number of exquisite beaches, most recently the downtown area has become a hotbed of activity. The addition of urban parks and the creation of the expansive and meandering Tampa Riverwalk attract locals and visitors. A spectacular open space along Tampa's waterfront, the Riverwalk is a lively gathering place with hip bars, fusion-inspired restaurants, festivals, events and stores.

Tampa also boasts plenty of opportunities for thrill seekers, with epic theme parks like Busch Gardens and Adventure Island Water Park.
